YOUR TRUTH-IN-SAVINGS DISCLOSURE

To open your account, complete the appropriate account card and return it to our Member Services Representative. Please read this brochure completely and retain it with your personal records.

All agreements and disclosures shall be construed in accordance with the provisions of the California Uniform Commercial Code (UCC). Share "Savings" accounts, share draft "Checking" accounts and share certificate "Certificate of Deposit" or "CD" accounts are subject to the requirements below and such other terms and conditions as established by the Board of Directors and as contained in the account agreements.

INFORMATION REGARDING MEMBER IDENTIFICATION

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for our Members: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying objects.

GENERAL INFORMATION ABOUT ALL OF OUR ACCOUNTS

PAR VALUE

The par value of a share in First Imperial Credit Union is \$5.

ACCRUAL OF DIVIDENDS

Dividends begin to accrue on the business day you deposit cash or non-cash items (e.g., checks) to your account if deposited before close of business. If you close your savings, checking or CD account before dividends are credited, you will not receive accrued dividends.

DIVIDEND RATES

The dividend rate and Annual Percentage Yield on our savings, checking and Certificate of Deposit accounts are stated on the Rate Schedule accompanying this Disclosure.

Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

BALANCE INFORMATION

We compute the balance in our savings, checking and certificate of deposit accounts to determine the dividends you will be paid by using the daily balance method which applies a daily periodic rate to the balance in your account each day.

BYLAW REQUIREMENTS

The maximum amount of shares which may be held by any one member shall be established from time to time by resolution of the board.

Any member whose share balance falls below the par value of one share and has no outstanding loan balance may be transferred to inactive status. When an inactive member increases his or her share balance to the amount of one regular share, or borrows from the credit union, he or she shall cease to be an inactive member.

Any member who remains inactive for 3 consecutive months or who is convicted of a criminal offense, fails to carry out his or her contracts, agreements or obligations with the credit union or who refuses to comply with the provisions of the California Credit Union Law or these bylaws may be expelled from the membership of this credit union upon 15 days written notice.

Shares may be transferred only from one member to another, by written instrument in such form as the Credit Union may prescribe. No transfer of voting rights or other membership privilege is permitted by virtue of transfer to or co-ownership of share by nonmembers. The Credit Union reserves the right, at any time, to require members to give, in writing, not less than 7 days and not more than 60 days notice of intention to withdraw the whole or any part of the amounts so paid in by them.

No member may withdraw shareholdings that are pledged as required for security on loans without the written approval of the credit committee, except to the extent that such shares exceed the member's total primary and contingent liability to the Credit Union. No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is comaker, endorser, or guarantor are delinquent, without the written consent of the credit committee.

CHANGES IN TERMS AND CONDITIONS

The use of an account is subject to such other terms, conditions and requirements as the Credit Union may establish from time to time. The Credit Union has the right to change the terms and conditions of this Agreement at any time, in any manner, and for any reason. We may delete or modify existing terms. We may add new terms without regard to whether the matter is already addressed by this Agreement. We may offer new or different services at any time, and may convert an existing account or service into a new account or service. We will generally notify you in advance of changes by sending written notice to your address as it appears on our records. However, we may make changes without sending you advance notice, unless such notice is required by law. By continuing to use or keep your account open, you will be deemed to accept and agree to any such changes in terms.

ABOUT OUR DEPOSIT ACCOUNTS

First Imperial Credit Union's savings accounts let you deposit your money in a savings account and withdraw your money generally at any time. Our savings accounts are the Regular Savings, Rainy Day, Holiday Saver, Scholar Saver, Summer Saver, Kids Club, Money Market, and No Term IRA.

DIVIDEND COMPOUNDING AND CREDITING

Dividends will be compounded monthly and will be credited monthly. For the savings accounts the dividend periods are monthly. For example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period. The most recent dividend declaration date is reflected on the accompanying Rate Schedule.

TRANSACTIONS LIMITATIONS

No more than six preauthorized, automatic, online or telephonic transfers made to another account at the Credit Union or to a third party or no more than six transfers or withdrawals made by check, draft, debit card or similar order payable to a third party may be made from each savings account or money market deposit account in any calendar month. If an Account Holder exceeds, or attempts to exceed, these transfer limits, the excess transfer requests may be refused or reversed, a fee may be imposed on the excess transfer requests, and the Credit Union may reclassify or close the account. Transfers initiated by telephone must be counted among the six monthly transfers, except that there are no limits on the number of withdrawals paid directly to an Account Holder when initiated by mail, telephone or messenger. There are no limits on the number of withdrawals if initiated in person.

ELECTRONIC FUND TRANSFER DISCLOSURE AND AGREEMENT

This EFT Disclosure and Agreement as amended from time to time "Agreement" sets forth the terms and conditions governing the use of the First Imperial Credit Union electronic transfer services. Disclosure information that applies to all electronic services offered by First Imperial Credit Union is given below, followed by specific disclosure information for each service. First Imperial Federal Credit Union may also provide remittance transfers (defined by Regulation E, subpart B, as an "electronic transfer of funds of more than \$15 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider"). The terms and conditions for such electronic transfers will be disclosed to you separately when you receive those services, and may differ from the terms and conditions disclosed herein. As applicable and to the extent not in conflict with such separately provided disclosures, the terms and conditions herein shall apply to remittance transfers that also meet the definition of an "electronic fund transfer" under Regulation E, subpart A. This Agreement takes the place of all prior agreements and disclosures governing the use of all electronic services. By retaining, using, or allowing others to use the electronic services offered by First Imperial Credit Union, you are agreeing to be bound by the terms and conditions of this Agreement. In this Agreement, the term "you" and "your(s)" refer to the member, and the terms "we," "us" and "our(s)" refer to First Imperial Credit Union.

PERSONAL IDENTIFICATION NUMBER

The Credit Union will issue you a Personal Identification Number (PIN) that must be used with the ATM/Debit Card for transactions that require the use of a PIN. This number should be memorized-DO NOT write it on your ATM/Debit Card or where it is easily accessible to others. After memorizing your PIN, you should destroy the notice disclosing your PIN in a secure manner. If you forget, misplace or otherwise disclose your PIN, contact the Credit Union and we will issue you a new one.

RIGHT TO RECEIVE DOCUMENTATION OF TRANSACTIONS

You will get a monthly account statement reflecting all of your transactions unless there is no activity in a particular month. In any case you will get the statement at least quarterly. Depending on the terminal, or if the transaction is \$15 or less, you may receive a receipt at the time you make a transaction at a terminal. If you do receive a receipt, retain the receipt to compare with your monthly statement from the Credit Union.

YOUR LIABILITY FOR LOST, STOLEN OR UNAUTHORIZED TRANSACTIONS INVOLVING VISA® DEBIT CARDS

Tell us AT ONCE if you believe your Visa Debit Card and/or Personal Identification Number (PIN) has been lost or stolen or if your statement shows an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within 60 days of our sending your statement, you can lose no more than \$50 if someone used your Visa Debit Card without your permission. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the close of the 60 days and before notice to us. If your delay in notifying us was due to extenuating circumstances beyond your reasonable control, including extended travel, your or a member of your family's death or serious illness, hospitalization, permanent mental impairment or serious physical impairment, unless the circumstance did not reasonably contribute to your delay in notifying us within the 60-day period, we will extend the 60-day period by a reasonable period.

SPECIAL NOTICE TO VISA DEBIT CARDHOLDERS

If there is an unauthorized use of your Visa Debit Card or a Plus network or Interlink transaction, and the transaction takes place on the Visa network, then your liability will be zero (\$0.00). This provision limiting your liability does not apply to Visa Corporate Card Transactions or Visa Purchasing Card Transactions, Anonymous Visa Prepaid Transactions, ATM cash disbursements processed on non-Visa or non-Plus networks, or non-Visa PIN-less debit transactions. Additionally, your liability with respect to unauthorized transactions may be greater than the above zero (\$0.00) liability limit, to the extent allowed under applicable law, if the credit union reasonably determines, based on substantial evidence, that you were negligent or fraudulent in the handling of your account or card. In any case, to minimize your potential liability you should notify us of any unauthorized use no later than 60 days after your statement was mailed to you.

HOW TO NOTIFY THE CREDIT UNION IN THE EVENT OF AN UNAUTHORIZED TRANSACTION

If you believe your ATM/POS/Debit Card or PIN has been lost or stolen, or that someone has transferred or may transfer money from your account without your permission, call us at (760) 352-1540, or write to us at P.O. Box 3247, El Centro, CA 92244. For Visa Debit Card after hours assistance please call 1-800-754-4128.

You should also call the number or write to the address listed above if you believe a transfer has been made using information from your check without your permission.

BUSINESS DAYS

Our business days are Monday through Saturday, excluding holidays. The Credit Union business hours are as follows:

- Friday: 9:00 a.m. to 6:00 p.m.; and
- Saturday 9:00 a.m. to 1:00 p.m. (El Centro)

OUR LIABILITY FOR FAILURE TO MAKE TRANSFERS

If we do not complete a transaction to or from your share or checking account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will NOT be liable, for instance, if:

- a) through no fault of ours, you do not have enough money in your account (your available balance) to make the transaction;
- b) the transaction would go over the credit limit on your credit line;
- c) the terminal where you were making the transaction did not have enough cash;
- d) the ATM or network system was not working properly and you were aware of the malfunction when you started the transaction;
- e) circumstances beyond our control (such as fire, flood, power failure, or computer down-time) prevented the transaction,

despite reasonable precautions that we have taken;

- f) the money in your account is subject to an uncollected funds hold, legal process or any other encumbrance or agreement restricting a transaction;
- g) your ATM/Debit Card has expired, is damaged so that the terminal cannot read the encoding strip, is inactive or because your PIN has been entered incorrectly;
- h) your ATM/Debit Card or PIN has been reported lost or stolen and we have blocked the account; or
- i) the failure to complete the transaction is done to protect the integrity of the system or to protect the security of your account.

There may be other exceptions not specifically mentioned above.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone us at (760) 352-1540 or write us at P.O. Box 3247, El Centro, CA 92244 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. (If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within 5 business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within 10 business days.) If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

CHARGES

In order to obtain the electronic services listed, you must open and maintain a share account. A checking account must be maintained to have ATM Card and/or Debit Card access. All charges associated with our electronic fund transactions are disclosed in our Rate and Fee Schedule which accompanies this Disclosure and Agreement.

DISCLOSURE OF ACCOUNT INFORMATION TO THIRD PARTIES

We will disclose information to third parties about your account or the transfers you make:

- a) when it is necessary to complete the transaction;
- b) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant;
- c) in order to comply with government agency or court orders or other legal process; or
- d) if you give us your prior oral or written permission.

ADDRESS CHANGE

Keep the Credit Union informed of your current address to ensure correct mailing of monthly statements. All address changes must be submitted to the Credit Union in writing. If you have elected to receive statements electronically, it is also your responsibility to keep the Credit Union informed of your current email address.

AMENDMENTS

The Credit Union may change the terms and conditions of this Agreement from time to time by mailing written notice to your address as it appears on our records. If any change results in greater cost or liability to you or decreases access to your Accounts, you will be given at least twenty-one (21) days prior notice of the change. Prior notice may not be given where an immediate change in terms or conditions is necessary to maintain the integrity of the system and/or the security of ATM Cards, Debit Cards or designated accounts.

TERMINATION

You may terminate this Agreement with us at any time. The Credit Union reserves the right to terminate this Agreement and/or your use of your ATM/POS Card or PIN with or without cause. We may do so immediately if:

- a) you or any authorized user of your ATM/Debit Card, PIN or account breaches this or any other agreement with the Credit Union;
- b) we have reason to believe that there has been, or might be, an unauthorized use of your ATM Card, Debit Card, PIN or account; or

- Consider having another person accompany you to the ATM.
- Immediately report all crimes to the ATM operator and to local law enforcement officials.

FUNDS TRANSFER CUT-OFF TIME

The Credit Union may establish or change cut-off times for the receipt and processing of funds transfer requests, amendments, or cancellations. Unless other times are posted for the various types of funds transfers, the cut-off time will be at 1:30 p.m. (PST) on each weekday that the Credit Union is open excluding holidays. Payment orders, cancellations, or amendments received after the applicable cut-off time may be treated as having been received on the next funds transfer business day and processed accordingly.

SERVICE CHARGES/FEES

The Credit Union may charge your account for the amount of any funds transfer initiated by you or by any person authorized by you as a joint tenant or other authorized party with the right of access to the account from which the funds transfer is to be made. Please refer to our Schedule of Fees and Charges for current fees.

SECURITY PROCEDURES

The Credit Union may establish, from time to time, security procedures to verify the authenticity of a payment order. You will be notified of the security procedure, if any, to be used to verify payment orders issued by you or for which your account will be liable. You agree that the authenticity of payment orders may be verified using that security procedure unless you notify the Credit Union in writing that you do not agree to that security procedure. This means that you will be responsible to the Credit Union if the funds transfer is completed on the basis of the identification number you provided the Credit Union.

IDENTIFICATION OF BENEFICIARY AND INTERMEDIARY BANK BY NUMBER

If you give the Credit Union a payment order which identifies an intermediary or beneficiary's bank by both name and an identifying number, a receiving bank may rely on the number as the proper identification even if it identifies a different bank than the named bank. This means that you will be responsible for any loss or expenses incurred by a receiving bank which executes or attempts to execute the payment order in reliance on the identifying number you provided.

PROVISIONAL ACH PAYMENTS

The Credit Union may at its discretion give you credit for automated clearinghouse (ACH) payments before it receives final settlement of the funds transfer. Any such credit is provisional until the Credit Union receives final settlement of the payment. You are hereby notified and agree, if the Credit Union does not receive such final settlement, that it is entitled to a refund from you of the amount credited to you in connection with that ACH entry. This means that the Credit Union may provide you with access to ACH funds before the Credit Union actually receives the money. However, if the Credit Union does not receive the money, then the Credit Union may reverse the entry on your account and you would be liable to repay the Credit Union.

NOTICE OF RECEIPT OF ACH FUNDS

ACH transactions are governed by operating rules of the National Automated Clearing House Association. In accordance with these rules, the Credit Union will not provide you with next day notice of receipt of ACH credit transfers to your account. You will continue to receive notices of receipt of ACH items in the periodic account statements which we provide.

RECEIPT OF INCOMING (NON-ACH) FUNDS TRANSFERS

If the Credit Union receives a funds transfer for you or for other persons authorized to have access to your account, you agree that the Credit Union is not obligated to provide you with next day notice of the receipt of the funds transfer. The Credit Union will provide you with notification of the receipt of all funds transfers by including such items in the periodic account statements which we provide. You may, of course, inquire between receipt of periodic statements whether or not a specific funds transfer has been received.

PAYMENT OF DIVIDENDS (OR INTEREST)

If the Credit Union becomes obligated under Article 4A to pay interest (or dividends) to you, you agree that the rate of interest (or dividends) to be paid shall be equal to the dividend rate, on a daily basis, applicable to the account at the Credit Union to which the funds transfer should have been made or from which the funds transfer was made.

YOUR ABILITY TO WITHDRAW FUNDS

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use them to pay checks that you have written.

We will generally make funds from your deposited checks available to you sooner than we are able to collect the funds for that check. In some cases, checks you deposit may be returned unpaid. You are responsible for your deposits, even if we previously made those funds available to you and you withdrew them. If a check you deposited is returned unpaid for any reason, you will have to repay us and we may assess a returned item fee as set forth in our Fee Schedule, even

if doing so causes your account to become overdrawn.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 2:00 p.m. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 2:00 p.m. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225 of your deposits may be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 7th business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 9th business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATM's) we do not own or operate will not be available until the fifth business day after the day of your deposit. This rule does not apply at the ATM's that we own or operate. The ATM's that we own or operate are located at (1) 123 W. Barioni Blvd., Imperial, California or (2) 1602 W. Main St., El Centro, California or (3) 1020 S. Brawley Ave., Brawley, California or (4) 1010 E. Cole Blvd., Calexico, California. All ATM's that we own or operate are identified as our machines.

IMPORTANT NOTICE ABOUT YOUR ACCOUNT(S) (CALIFORNIA RESIDENTS)

In accordance with California's Unclaimed Property Law, C.C.P. §1500, et seq., any funds held by the Credit Union (including, without limitation, funds in a share, share draft, certificate, or other account, sums for the payment of cashier's checks, teller's checks, etc.) may be transferred to the Unclaimed Property Division of the California State Controller's Office if no activity occurs in the account within the time period specified by state law.

Non-cash payments deposited into an account may be credited subject to final payment.

FEES AND CHARGES

All accounts shall be subject to service charges in accordance with fee schedules adopted by the Credit Union as amended from time to time.

ATTORNEYS' FEES

You agree to pay the Credit Union all of our costs and reasonable attorneys' fees, including all collection costs, litigation costs, skip-tracing fees, and outside services fees incurred while we are enforcing our rights under this Agreement.

CREDIT UNION'S RIGHT TO OFFSET

Account Holder(s) agrees that the Credit Union has the right to offset against any account of any Account Holder to cover any amount owing to the Credit Union for any reason. The Credit Union may also apply the funds held in a joint account to cover any amount owing to the Credit Union by any individual Account Holder(s). Account Holder(s) understand that this means that the Credit Union has the right to impress and enforce a statutory lien against the Account Holder(s)'s share and dividends in the event of the failure of the Account Holder(s) to satisfy any financial obligation due and payable to the Credit Union. Account Holder(s) understand that the Credit Union may enforce this right without further notice except as to Individual Retirement Accounts (IRA), Keogh Plan, Social Security/SSI, and as otherwise prohibited by law.

GOVERNING LAW

This TIS Agreement shall be construed in accordance with the laws of the State of California, including the California Uniform Commercial Code (UCC).

TRANSFERS TO THIRD PARTIES

No more than six preauthorized, automatic, online or telephonic transfers made to another account at the Credit Union or to a third party or no more than six transfers or withdrawals made by check, draft, debit card or similar order payable to a third party may be made from each savings account or money market deposit account in any calendar month. If an Account Holder exceeds, or attempts to exceed, these transfer limits, the excess transfer requests may be refused or reversed, a fee may be imposed on the excess transfer requests, and the Credit Union may reclassify or close the account. Transfers initiated by telephone must be counted among the six monthly transfers, except that there are no limits on the number of withdrawals paid directly to an Account Holder when initiated by mail, telephone or messenger. There are no limits on the number of withdrawals if initiated in person.

WITHDRAWALS, PRIOR NOTICE REQUIREMENT

The Credit Union reserves the right to require prior written notice of intention to withdraw all or any part of shares not to exceed the notice requirement as set forth in the Credit Union's bylaws.

➔ *Checking Account Agreement*

WITHDRAWALS, APPROVED METHODS

Only share draft blanks and other methods approved by the Credit Union may be used to withdraw funds from a checking account.

ELECTRONIC CHECK CONVERSION

Upon prior notification from the merchant to the Account Holder, a purchase made with a check can be converted to a one-time electronic fund transfer (EFT) if authorized by the Account Holder. The Account Holder may also authorize merchants to electronically debit the account for returned check fees. It is agreed that the Account Holder authorizes the electronic funds transfers if the transaction is completed after being told (orally or by a notice posted) that the transfer may be processed electronically or if the Account Holder signs a written authorization.

DEMAND DRAFTS

The Credit Union may pay and charge to the applicable checking account, checks drawn by and payable to any person, organization, association or corporation that has been authorized by an Account Holder to be paid, by the provision of MICR encoded information on the account. It is agreed that the Credit Union's rights in respect to such checks shall be the same as if it were a check drawn and signed by an Account Holder(s) personally. This authority shall remain in effect until revoked by an Account Holder in writing. It is agreed that the Credit Union shall be fully protected in honoring such checks. It is further agreed that if any such check is dishonored, whether with or without cause, and whether intentionally or inadvertently, the Credit Union shall incur no liability whatsoever, even though such dishonor results in the forfeit of insurance, loss or damage of any kind.

SUBSTITUTE CHECKS AND YOUR RIGHTS DISCLOSURE

What is a substitute check?

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest if your account earns interest) within ten (10) business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than forty-five (45) calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us by phone at (760) 352-1540 or by mail, P.O. Box 3247, El Centro, CA 92244. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check and/or the following information to help us identify the substitute check: (identifying information, for example the check number, the name of the person to whom you wrote the check, the amount of the check)

OVERDRAFTS

The Credit Union is under no obligation to pay a check which exceeds the balance in an account; the Credit Union may, however, pay such a check and recover or obtain a refund of the amount of the resulting overdraft plus a service charge from any of the Account Holders of this account, each of whom expressly agrees that each Account Holder is jointly and severally liable for any and all overdrafts of this account and any and all associated costs created by any Account Holder.

NOTICE REGARDING NSF FEES: When an item is returned unpaid due to insufficient available funds [and not covered by the Overdraft Privilege Service you will be charged a Non-Sufficient Funds (NSF) fee, as stated in the Credit Union's Fee Schedule. If multiple items are returned unpaid due to insufficient available funds on the same day, you will be charged an NSF fee for each returned item. The same item may be presented for payment more than once, and you will be charged an NSF fee each time that item is presented and returned due to insufficient available funds.

Order of Posting: The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. We will pay checks, automated debits (ACH), Debit Card transactions, ATM withdrawals and point-of-sale transactions in the order presented to the Credit Union. Multiple checks presented for payment on the same day will be paid in check number order. For ACH transactions, deposits are posted first then debits are posted by settlement date, then lowest to highest amount. For ATM Card and Debit Card transactions, items are posted in the order received. You understand that the order in which items are processed can affect the total amount of fees that may be assessed against your account. The Credit Union reserves the right to adjust the above processing times in its sole discretion.

Actual and Available Balances: It is also important that you understand the difference between your "actual balance" and your "available balance" in order to properly manage the money in your account and avoid overdraft and insufficient fund fees. Your "actual balance" is the beginning of the day balance after the prior evening's posting. This balance is changed at the close of business every day and stands as is until the close of business on the following day. Your "available balance" is the amount you have in your account at a particular time that is available for immediate withdrawal. Your available balance is updated throughout the day to reflect holds, pending transactions and cleared deposits. The difference between your actual balance and your available balance is the result of pending activity that has not yet posted to the account (example, any "pending" deposits, checks, transfers and withdrawals or holds on your account). We will use the "available balance" in your account to determine if you have sufficient funds to cover your transactions. You can determine your available balance at the ATM, by phone or by accessing your account online or with mobile banking.

You understand that you may be overdrawn even when your actual balance is positive. You also understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you wish to make because your available balance will not reflect all your outstanding checks, automatic bill payments or recent deposits. In addition, your available balance will not reflect all of your debit card transactions. For example, if a merchant obtains your prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we are required to release the authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account. We do not determine and are not responsible for any hold amounts placed by merchants. We encourage you discuss such holds with merchants to determine how much the merchant may place on hold. You must also keep careful records and practice good account management to avoid making transactions without sufficient funds available for withdrawal. For additional details on the availability of your funds for withdrawal, see the section entitled "Funds Availability Policy." If you have additional questions about your available or actual balance, please see a branch representative or call (760) 352-1540.

Example 1: If you write a check for \$25 but it has not yet cleared your account, your available balance will be \$25 less than what is reflected by your actual balance.

Example 2: If you authorize a debit card transaction for \$30 but it has not yet posted to your account, your available balance will be \$30 less than what is reflected by your actual balance.

Example 3: The following transactions are not reflected in your available balance:

- Any checks you have written that have not yet been presented for payment.
- Any automatic bill payments you have scheduled that have not yet been sent.
- Any debit card transactions where the authorization hold has been released but the transaction has not yet been submitted to the Credit Union.

STALE-DATED CHECKS

The Credit Union is under no obligation but may pay a check which is presented more than six (6) months after it is dated. The Credit Union may assess a special handling charge upon receipt of any such item in addition to a service charge upon the account in accordance with the fee schedules adopted by the Credit Union and as amended from time to time.

STOP PAYMENTS

Any Account Holder(s) of this account may stop payment of any item drawn against the account. The Stop Payment Order must describe the item with reasonable certainty and must be received in such time and manner as to afford the Credit Union a reasonable opportunity to act upon it. A Stop Payment Order is effective for six (6) months, but it lapses after 14 calendar days if the original order was oral and was not confirmed in writing within that 14 day period. The Stop Payment Order may be renewed in writing for an additional six (6) month period.

TRUNCATION OF CHECKS

The Account Holder(s) acknowledges that checks are truncated and hereby waives any and all rights to receive the items without prejudice to any of the Credit Union's defenses available under the California Uniform Commercial Code (UCC).

LIABILITY OF CREDIT UNION

Except for its own lack of good faith or failure to exercise ordinary care, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a check, even if nonpayment results in the forfeit of insurance, loss or damage of any kind.

CLOSURE OF ACCOUNT

The Credit Union may close a checking account at any time. Closure of a checking account will not affect the obligation to pay any outstanding balances or charges owed.

FOR CHECKING ACCOUNTS WITH SAVINGS OVERDRAFT PROTECTION

If any Account Holder(s) writes a check that would result in this Checking Account being overdrawn, the Credit Union is authorized to charge the designated share account(s), regardless of which party signed the item, in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor the check and to credit such charge to this Checking Account. No check overdraft may be paid by charging a share account if, as a result of such charge, that share account would be subject in any one month to more than six pre-authorized, automatic or telephonic transfers.

FOR CHECKING ACCOUNTS WITH LOAN OVERDRAFT PROTECTION

If any Account Holder(s) writes a check which would result in this Checking Account being overdrawn, and if at that time any Account Holder(s) is eligible to receive loan advances from this Credit Union on a loan designated on the

Overdraft Agreement, the Credit Union is authorized to make an advance from the designated loan account, and to credit the advance to this Checking Account in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor such check and any associated fees.

Description of Service

Unless the Credit Union currently has your affirmative consent (opt-in) on file, we will not approve your overdrafts for ATM withdrawal or debit card transactions. You must tell us you want overdraft coverage for these transactions. To request overdraft coverage for your ATM withdrawal or debit card purchases, contact us at (760) 352-1540 or write to us at P.O. The Credit Union will provide you with written confirmation of your opt-in choice.

When an overdraft is covered, the account will be taken negative by the dollar amount of the overdraft plus the amount of the Overdraft Privilege fee. If we honor multiple overdrafts we may honor them in any order at the Credit Union's option or return any such items. The maximum dollar amount of overdrafts the Credit Union will cover for each member is \$300, or \$500 for Loyalty Checking account holders excluding including the Overdraft Privilege fee.

When the Credit Union honors overdraft items, you must deposit funds immediately, but in no case more than thirty (30) days from the date of the notice sent to you. If you fail to cover the total overdraft amount within thirty (30) days, the Credit Union may pursue all collection options available to it. The Credit Union may, but is not obligated to, transfer funds from your other accounts with us to cover the overdraft.

The Overdraft Privilege Program fee is a flat fee charged regardless of the amount the account is overdrawn and will be charged for each overdraft item presented and paid by the Credit Union. The charge for Overdraft Privilege Service is described in our Fee Schedule. The Credit Union will send you a notice for each item covered by the Overdraft Privilege service.

The Overdraft Privilege Program service is a discretionary privilege offered to members and not a right of membership. The Credit Union encourages you to properly maintain your accounts with us. You agree that the Credit Union will not be held liable for either paying or refusing to pay any overdraft item. The Credit Union reserves the right to discontinue this service at any time without any notice.

If you do not want the Overdraft Privilege Program, you must inform the Credit Union by sending written notice to First Imperial Credit Union, P.O. Box 3247, El Centro, CA 92244, or verbal confirmation to our Member Services department at 760-352-1540.
