

A NEW WAY TO PAY

Add your FICU cards to Apple Pay™, Google Pay, or Samsung Pay today!

Using the digital wallet on your smartphone or watch makes payments easier and safer at participating merchants. Simply add your First Imperial Credit Union VISA debit card and/or credit card into the Wallet app on your device.

Step 1

Setup may vary slightly between smartphone devices, but the first step will be to open your phone's wallet app.

Step 2

Add the new card by entering your card information. Follow on screen instructions.

Step 3

Start using your digital card at participating retailers in-person or online.
